

## **Aloft New Delhi Aerocity Showcased a Unique Exhibit Featuring Niren Sengupta's Finest Art**

Aloft New Delhi Aerocity, the vibrant and stylish hotel that is known to be '*Different by Design*', hosted an elegant soiree which featured distinct art collections designed by well-known artist Niren Sengupta at the Central Courtyard. The showcase included mesmerizing paintings with lively colours by the prominent artist. The exhibit was curated by Kapil Kapoor and Ganesha Arts, the leading curators in the city.

Niren Sengupta is an eminent artist who considers art as a medium to express the inner thoughts through a language that can be visualized. His works are an aesthetic expressions of his inner reflections infused with love, sacrifice, service and beauty. These innovative depictions were truly a visual treat for art aficionados and guests alike.

With this exhibit, the aim was to blend elements of local interest, cultural intrigue and visual ingenuity that had its guests and visitors spellbound with artworks complementing the design of the hotel.

“At Aloft Aerocity, we aim to offer uniqueness that is not just limited to our amenities and service, but truly lies within our expression of design and innovation. We are elated to associate with artist Nirensen and display his exceptional work and we look forward to collaborating with more such talented artists in the future,” said Ms. Suman Gahlot, General Manager, Aloft New Delhi Aerocity.
